Good evening viewers and welcome to "On the Air" . . I'm Ron Arigo and sitting across from me is our charming co-anchor, Florie Fabiano.

Thanks Ron, tonight we have a special broadcast-a recap of the 1982-1983 school year at Stoneham High, including highlights and cameo appearances you won't want to miss. The "On the Air" crew has worked long and hard in bringing you this memorable presentation and we're sure you'll enjoy it.

Thats right, Florie, but before we commence with the fun, lets take a look at the world news events that have affected our high school days this past year . . .

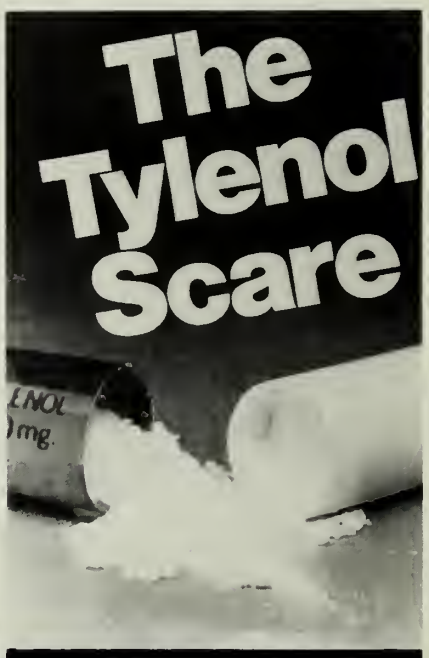
The Hard News

Following Lebanon's President-elect, Bashir Gemayel's assassination, Israeli peace-keeping forces allowed a massacre of hundreds of men, women, and children Lebanon refugee camps.

Lech Walesa, one Pole who had the courage to stand up to the whole of Russia, has inspired hope throughout Poland, and the world.

Grace Kelly, the Hollywood star who married Monaco's Prince Rainer, brougt a new dignity a particular grace to the role of a princess.

The death of America's favorite comedian, John Belushi, left a numbing void in stomachs nationwide



America became painfully aware of the fragility of everyday life, when the actions of one man threatened the lives of people nationwide

America's youth still holds dear the avante-garde tastes of Englands musical world as evidenced by the success of groups such as The English Beat, The Police, The Stray Cats, and The Clash.

This year, for the first time in history, sattalites were launched from an orbiting space vehicle, hence the space shuttle Columbia rang in a new era of extra-terrestrial commerce.

E.T., Stephen Speilberg's brain child, stole the hearts of children nationwide, and subsequently, the wallets of their parents.

Soviet Premiere Leonoid Beezhnev passed away this year, ending a reign that lasted more than a decade. It remains to be seen how his successor, Yuri Andropov will influence future US-Soviet relations.

The generation of Americans who grew up with Hawkeye, Hot Lips, and the rest of M*A*S*H crew watched for 2½ hours as the 4077th finally went home.

In a surprise move, President Reagan was traded to the newly formed USFL. Said Reagan, "Maybe I should lob a few of these suckers at Tip O'Neil"

Youth:

America's Strength

The ambitious youth of Stoneham High displayed their career intrests on one informative school day. The wide variety of personalities ranged from airplane mechanics, to priests and provided insight into the country's future if left to competent young adults. Mankind will take a giant leap when they are let loose upon society. The high degree of intellect posessed by the students is evident in their original renditions of a Playboy bunny, a tourist and a pregnant housewife. On the lighter side, we saw a business executive, a scientist, a surgeon, and a private investigator. Perhaps one of the most believable characters was a nun, who made her cameo appearance early in the day.

Teacher's View

In general teachers believed that the Boston Magazine Article was inaccurate and narrow. One argument is that the article implied that the wealthier a school is, the healthier the educational system of that school, and this is not always true. One teacher claimed that SAT scores were low because kids lack the passion for reading. But one teacher claimed that even though SAT scores were low, these scores sometime give a false impression to the colleges. This teacher believes that the school has an excellent atmosphere, and that the faculty members of the educational department are close-knit. They learn and share from each other. Resources are fairly good, and even though money is tight, the school will get it. Teachers generally agree that students do well. If they work, they learn. One teacher finds the Stoneham student very likeable, but not the enthusiastic honor student. They are very human, and they have a desire to learn, but not necessarily what is in books. Teachers believe that there is room for improvement in the school everywhere. One suggestion is improve the teacher's salaries as to make the teacher feel valued. If there is no competitive job scale, they have to leave teaching. But one teacher pointed out a significant increase would attract more teachers, but not for $500 or $1600. As George Steinbrenner Said, "Good ball players who are overpaid don't play any better."

Odds & Ends

The alumni of Stoneham High School, an erudite and energetic bunch, have found numerous outlets for their perusal. For instance, on any given day a student may be found coverting with a peacock at the zoo, meditating at the beach or enjoying a smoke at the teacher's desk . . . while carrying a heavy load of courses in Latin, Philosophy, and Advanced Calculus. Group jumping sessions are very popular and enjoyed by all. Some of the students may dress a little strangely, but they are never the less accepted by their open-minded peers.

We have just been informed that this page may be more fun than humans should be allowed to have (or not), so we'll be sneaking in other snaps at irregular intervals throughout the book.

Well Florie, I guess that just about ties up the intro for tonight's broadcast, can you think of anything that we missed?

No Ron, I think we're off to a good start . . What did you think about that D-rating? It really burns me that a school could be judged so unfairly.

I'm with you Florie, but I'd rather refrain from comment. I hope we captured the interest of you viewers out there because theres a lot more to come- stay tuned for more of tonight's special "On the Air" broadcast presentation of the class of Nineteen Hundred and Eighty Three . . .

[illegible] lines were taken from a poem [illegible] Bob Covell, by a close friend, after [illegible] October 10, 1982. Bob was a student [illegible] class of 1983, till 10th grade when he [illegible] to Londonderry, New Hampshire. Thereafter, he spent much of his time in Stoneham visiting with his friends. Even though Robert Covell was not an enrolled graduating student of the class of 1983, many of our classmates knew Bob and treasure his friendship and memories.

DAVID M. STEVENSON

For those who leave us for awhile
Have only gone away
Out of a restless careworn world
Into a brighter day . . .

David was a student from the graduated class of 1982. From there he went into the Coast Guard Reserves and entered the Coast Guard Academy of Virginia. He was going to come back to school and graduate with the class of 1983. David was a friend of many students of the class of 1983, and will be missed by them all.

On The Line

THE 1982 FIELD HOCKEY TEAM FINISHED THE SEASON WITH A 6-9-3 RECORD, FIFTH IN THE LEAGUE. THE TEAM WAS LED BY TWO STRONG LEADERS L. WOOD AND S. RIELLY. THE TEAM SHOWED MUCH IMPROVEMENT PLAYING AS A TEAM RATHER THAN INDIVIDUALS. THE DEDICATION SHOWN BY EACH GIRL WAS REMARKABLE. THE MUCH DESERVED TITLE OF ALL-STAR WAS GIVEN TO L. WOOD AS WELL AS M. MAFFEO. ALSO, PLACED AMONG THE LEAGUES TOP SCORERS WAS L. TROTTA.

Under The Gun

ALTHOUGH THE CROSS COUNTRY TEAM FINISHED WITH AN 0-9 RECORD, THE RUNNERS SHOWED MARKED IMPROVEMENT AS THE SEASON PROGRESSED. THE SMALL NUMBER OF CANDIDATES CONTRIBUTED TO A LOW SCORING SEASON. HOWEVER, MENTALLY, THE SEASON WAS A WINNING ONE. BECAUSE MOST OF THE RUNNERS ARE YOUNG, COACH FILLBACK HOPES THAT NEXT YEAR'S VETERANS WILL RUN AWAY WITH THE TITLE.

Golf:

THIS YEAR'S GOLF TEAM WAS UNDER THE DIRECTION OF A NEW COACH. COACH R. YOUNG HEADED THE 1982 GOLF TEAM. RETURNING WERE VETERANS: A. HOWARD, S. McKENNA, AND R. MASTRODICASA. ALTHOUGH OUR TEAM IS COMPRISED OF ONLY SIX PLAYERS, GOLF IS BECOMING MORE POPULAR AMONG HIGH SCHOOL STUDENTS.

THE 1982 FOOTBALL TEAM HAD A DISAPPOINTing SEASON. DESPITE A GREAT OPENING PERFORMANCE AGAINST WATERTOWN, THE TEAM LOST IN THE LATE STAGES OF THE GAME. ALTHOUGH THE TEAM WAS UNABLE TO OBTAIN A SINGLE VICTORY, HOPEFULLY THEY WERE ABLE TO ESTABLISH THE GROUND WORK TO BECOME MORE COMPETITIVE IN THE FUTURE. EVERY YEAR IT IS BECOMING INCREASINGLY DIFFICULT TO COMPETE IN THE MIDDLESEX LEAGUE. HOWEVER, THE PLAYERS CARED FOR ONE ANOTHER, PULLED FOR ONE ANOTHER, AND WORKED EXTREMELY HARD TO BE SUCCESSFUL. THE EFFORT AND EXECUTION DISPLAYED WERE REMARKABLE. PERHAPS, THE TEAM WILL BE MORE SUCCESSFUL NEXT YEAR.

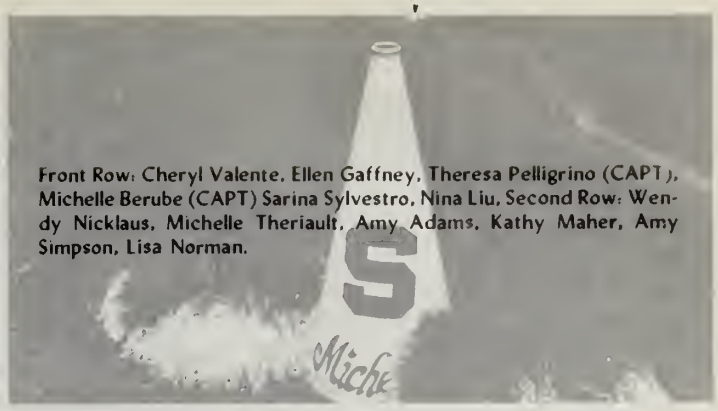
Scores With Determination

THIS YEAR'S SOCCER TEAM, UNDER THE DIRECTION OF SECOND YEAR VETERAN E. RUSSO, WAS COMPRISED OF TWENTY HARD WORKING YOUNG MEN. ALTHOUGH THE SEASON GOT OFF TO A SLOW START, THE TEAM MANAGED TO COMPILE A TOTAL OF EIGHT WINS AND TIES. CAPTS. G. SEIBOLD AND E. SCHIAZZA UPHELD THE TEAM WITH LEADERSHIP, AND DETERMINATION. CONTRARY TO THE STATISTICS, THE INCREASED PRIDE MADE THIS SEASON A SATISFYING ONE.

Cheer Leading



Front Row: Cheryl Valente, Ellen Gaffney, Theresa Pelligrino (CAPT), Michelle Berube (CAPT) Sarina Sylvestro, Nina Liu, Second Row: Wendy Nicklaus, Michelle Theriault, Amy Adams, Kathy Maher, Amy Simpson, Lisa Norman.

The 1982 Fall Cheerleading Squad continuosly kept the spirit up for both the Football & Soccer teams. Captains Michelle Berube and Theresa Pellegrino valiently worked hard with their squad to plan the Pep rally and homecoming events. A highlight of their season was their debut on Boston's Evening Magazine. Even though the football team had a disappointing season, the cheerleaders never gave up on their men.

Marching Band:

Stepping Out

1983 Spartan Marching Band

THE MAJORETTES AND MARCHING BAND MADE EACH HALF-TIME A PLEASURE. THE BAND WAS BOTH ENTERTAINING AND CAPTIVATING. THE MAJORETTES WERE A DELIGHT TO WATCH SHOWING GRACE AS WELL AS CHARISMA. THE SMILES OF THE MAJORETTES MADE EVEN DARK MOMENTS BRIGHT. REGARDING THE BAND, IT BRINGS ON A WARM FEELING DURING THE COLDEST OF DAYS.

LEAN AND MEAN

THE 1983 GIRLS BASKETBALL TEAM REBOUNDED FROM A 6-9 RECORD LAST YEAR TO A 9-9 RECORD THIS YEAR. THE GIRLS WERE ABLE TO EARN A FOURTH PLACE POSITION IN THE MIDDLESEX LEAGUE. THIS TRULY WAS A SATISFYING ACCOMPLISHMENT. THE TEAM HUNG TOUGH THROUGHOUT EVERY GAME. THE GIRLS PROVED THAT STONEHAM IS DEFINITELY COMPETITIVE BOTH OFFENSIVELY AND DEFENSIVELY. LED BY L. WOOD AND C. SIMPSON, THE TEAM STAYED TOUGH AND TOGETHER. VICTORY OVER WAKEFIELD WOULD HAVE TASTED SWEET, HOWEVER, THE GIRLS WERE UNABLE TO DOMINATE THE 3 YEAR UNBEATEN TEAM. NEVERTHELESS, TO COMPENSATE, THE GIRLS DISPLAYED THEIR PLAYING ABILITY WITH A WIN OVER MELROSE IN A EXHILARATIVE DOUBLE OVERTIME.

A "HOOPLESS" CASE

THE 1983 BOYS' BASKETBALL SEASON SURE SEEMED MUCH LONGER THAN THE SCHEDULED EIGHTEEN GAMES. THE LOSS OF KEY PLAYERS EARLY IN THE SEASON DRAGGED THE SEASON ON. THE TEAM THEN HaD TO RELY ON THEIR YOUNGER PLAYERS. ALTHOUGH THE MEN WERE TALENTED THEY SEMMED TO LACK EXPERIENCE. WITH THESE TWO STRIKES AGAINST THE TEAM THEY WENT ON TO LOSE EVERY GAME BY An AVERAGE OF THIRTY POINTS. THE SPARtANS, LATER BLESSED WITH HEALED ATHLETES, WERE UNABLE TO GET BACK ON THEIR FEET TOWARD THE SEASONS' END. HOWEVER, P. YIANACOPOULIS' ACCOMPLISHMENTS CANNOT GO UNNOTICED. HIS SUPERB ATHLETIC ABILITY EARNED HIM A POSITION ON THE MIDDLESEX LEAGUE ALL-STAR TEAM. THIS TITLE, IN SPITE OF HIS TEAMS' FINAL RECORD, IS A WELL-DESERVED ONE.

THE 1983 SPARTAN HOCKEY TEAM SKATED TO AN EARLY 6-0 MARK. IN ADDITION, SToNEHAM WAS RANKED 4TH BY THE GLOBE BEFORE SUFFERING BACK TO BACK LOSSES TO MELROSE AND READING. CAPTAINED BY M. VENO AND J. TARANTINO THE TEAM WAs ALWAYS ON TOP OF THE MIDDLESEX LEAGUE STANDINGS. YET, THE SPARTANS FOUND IT ROUGH GOING DOWN THE STRETCH. THE TEAM SUFFERED DISAPPOINTING LOSSES TO LOWER TEAMS SUCH AS BELMONT AND LEXINGTON. THE RESULT OF THE SEASON WAS A 4TH PLACE FINISH BEHIND READING, BURLINGTON, AND WATERtOWN.

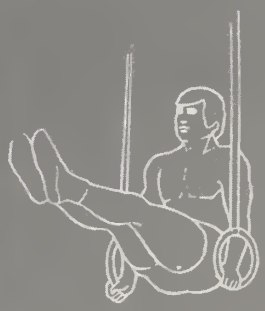
Highlights

1983



Fore-

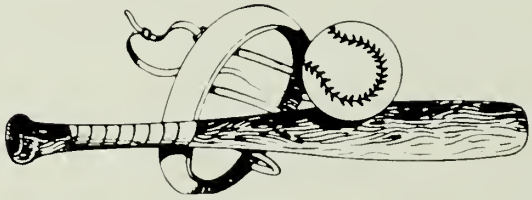
Cast

BASEBALL

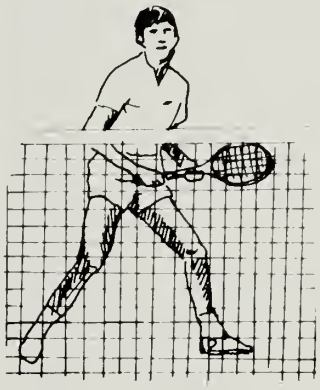
During the 1981-1982 Spring season, the Stoneham JV baseball team captured the Middlesex League Crown. The team, led by coach Ed Russo, fought their way to the top among other strong powers. This year's varsity team may find the going a little rougher, yet with hard work and dedication in April, the result may be a Varsity league championship in June.

SOFTBALL

Softball, like volleyball and hockey, has become a Spartan force in league competition. Led by Coach Burnham, the Spartan softballers have been invited to post-season play the last three seasons. Returning senior Chris Simpson, an all star pitcher in the Middlesex League last year, will attempt to lead her team past other formidable league players such as Wakefield and Reading. An exciting season is promised by the women Spartans.

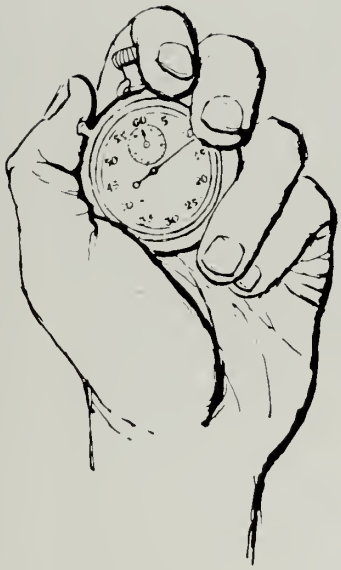


For Spring



TENNIS

Competing in the Middlesex League among National powers Lexington and Winchester is no easy feat. Competition is tough and victories for Stoneham are even tougher. Graduation has left both the boys' and girls' teams without their best players. Yet turnout for the new season is expected to be high as are the expectations for the future. With extra efforts, Stoneham has hopes to upset the powers atop the league.



TRACK AND FIELD

1982-1983 Boys' and girls' track and field teams will take to the pavement and grass in late March. Graduation has left both teams without some of their finest performers, such as "Chip" Carroll, Richard Hegarty, and Diana Covino; yet, a competitive team is expected to be fielded by Coach Fillback for the boys as well as the coach for the girls. Returning senior boys Tom Auffrey and senior girls Maura Doyle, Theresa Neylon will hope to pace the teams to winning seasons in the Middlesex League.

Well, Ron, that about wraps up "On the Air" for this year. I think that I speak for the entire crew when I say that we took great pleasure in bringing you this tiny slice of high school life. We tried not to capture the academic reality of the past year, for it will forever be in the forefront of our memory. We did try, however, to capture more of the flavor, the spice, the comic absurdity that entwined itself around our lives for the past four years.

We thank you all for tuning in, and for me, Florie, and the rest of the "on the Air" crew, Good Luck, and Good Night.
